

IDWALA INDUSTRIAL MINERALS PRIVATE BAG X10 HONEYDEW 2040		IDWALA INDUSTRIAL MINERALS P.O. BOX 6056 DUNSWART 1511
<b>SHE POLICY</b>		
AUTHOR : K. MOLAPONG	DOCUMENT: File 5.01.1	EFFECTIVE: 13 AUGUST 2014
APPROVED: G. MANGOTLO	REVISION : 007	PAGE: 1 of 1

Idwala Industrial Minerals manufacture a range of products for local and international markets in a safest manner possible.

**The management and employees of Idwala Industrial Minerals are committed to**

- Prevention of injuries and illnesses at the workplace
- A safe and healthy working environment and
- Minimize or eliminate the negative impact that our operations have on the environment

**Idwala Industrial Minerals management is therefore committed to:**

- Legislative compliance with applicable national, provincial and local environmental and health and safety legislation and other non-regulatory requirements which may apply from time to time.
- Identification of hazards and risks then taking reasonable measures to eliminate, minimise or control them
- Actively encourage and support the involvement of people at all levels working together to continually improve safety, health and environmental performance.
- Encourage good health and safety habits on and off the job
- Setting objectives and implementing management programmes to improve health, safety and environmental performance for risks deemed to be unacceptable.
- Establishing and maintaining an effective internal and external communication system
- Provide the resources required to implement this policy
- Protect the environment by not negatively impacting the supporting ecosystem e.g prevention of air, water and soil pollution
- Optimise the use of raw materials and energy to reduce wastage
- On-going identification of the impact of aspects on the environment
- Inform all our customers, visitors, employees, contractors and neighbours about any SHE issues that affect them
